

About DriveTime

Do you hate visiting car dealerships because you're afraid of the way they will treat you when they find out your credit history? With DriveTime, there is no reason to be afraid! We understand that people are not perfect and that most people have experienced some sort of financial trouble in the past, which is exactly why we are both a car dealer and a finance company. We specialize in getting people with poor credit into used cars that they're happy to call their own.

We have several conveniently located Georgia DriveTime stores that have a great selection of used cars. DriveTime is known for our welcoming atmosphere and the family-like feeling that you get from our team members. We know how hard it is to find a place that will work with your financial situation and help you find a used car that will not push your credit score even lower. Georgia DriveTime has locations nearby where you will be able to find a car that you will be proud to drive!

At DriveTime, we do 99% of our own financing, which is why we can almost guarantee that you will be approved for a used car. You can find out whether you are approved in just two minutes and you won't even need to leave home! Just visit our website at www.DriveTime.com and complete the short application. Once you have submitted the online application you will know within TWO minutes whether you have been approved. If you're approved, then you will need to visit one of our Georgia DriveTime locations where our helpful staff will find a perfect car for you!

More about Georgia DriveTime is below...

Most of the time, customers feel very uncomfortable when they purchase a used car because they are unfamiliar with the history of the vehicle. We can assure you that Georgia DriveTime used cars are high quality vehicles that you will feel safe driving in. You can trust that we only sell high quality used cars because each vehicle undergoes a standard 53-point inspection before it even arrives at our dealerships. Even after you purchase the vehicle, you can feel comfortable knowing that the vehicle comes equipped with our leading DriveCare® Limited Warranty.

These are just some of the things that make DriveTime different from the other auto dealers. But don't take our word for it; go online now to find out whether you are approved!
