What other Georgia Auto Dealers? Georgia DriveTime Dealers are the only way to go!

Shopping for a vehicle can be very confusing and stressful, with the tremendous amount of Georgia auto dealers. Georgia offers a wide array of choices when car shopping, but none are as unique as DriveTime. DriveTime has many locations that are conveniently located across the state and we specialize in selling used cars to those people who have less-than-perfect credit. At DriveTime we consider you part of our family, and we feel that everyone should be treated professionally and with respect.

We are different than other car companies because we not only sell used cars to people with bad credit, but we also handle 99% of all financing. That's right, we are both a car dealer and a bank! It can't get much easier than that right? Wrong. You can also find out whether you will be approved to buy a vehicle within two minutes time without even leaving your home. All you have to do is just visit [www.DriveTime.com](http://www.DriveTime.com) and fill out the simple application to find out that you have been approved to purchase a vehicle.

Still considering other Georgia auto dealers? Georgia, think again!

Once you have been approved, the only thing left to do is make a trip to one of our dealerships and pick out your car or truck that you would like to buy! You will be greeted by our friendly staff that understands your credit situation and are there to help you get into a vehicle that suits your current circumstances. We know that past credit problems can cause employees at other auto dealerships to treat you as if you have the plague, but at DriveTime we consider your future interest and do not judge your bad credit history when you are buying a vehicle.

There are always worries when people buy a used vehicle and because we understand this, our cars and trucks undergo a 53-point inspection before they even arrive on our lots. You also receive a DriveCare® Limited Warranty with the purchase of your vehicle to ensure that it will perform at its highest level. Even though your credit may be less than perfect, DriveTime still offers really great benefits to our customers, unlike other Georgia auto dealers. Georgia has a wide selection of dealers, but why go anywhere but DriveTime?

dealers. Georgia residents, you have finally found your perfect match with DriveTime, so hurry to our website and get approved! You won't regret choosing DriveTime, the Go-to-Guys for Cars and Credit.
